

AUSTIN CRUSADERS SPONSORSHIP INFO

- About Us
 - The Austin Crusaders was established in June 2022 to provide competitive, 11-man football for homeschool students throughout the Austin metro area. In our inaugural season, our players fought hard and had several key accomplishments:
 - Had epic 'road warrior' season finishing 4-6 with no home games and playing throughout Texas, including Dallas, Houston, & Harlingen.
 - Won Western Division of end-of-season Texas Homeschool Tournament.
 - Our team is hungry for more and committed to putting in the hard work that it takes to grow our program to the next level. For 2023, this includes:
 - Increasing competition through higher strength of schedule.
 - Establishing a home field with over half our games in Austin.
 - Quadrupling our program size with expansion into middle school 11-man, junior varsity 11-man, and the addition of cheer.
- How can you help?
 - To fuel this growth, we are seeking partners that believe in our vision and the impact we are looking to make with these young men and women. This is where organizations and people like you can make the real difference in our success and keep the costs to our families to a minimum. Through this next phase, our mission stays the same: continuous coaching to maximize player skills while reducing barriers for participation (ie: player fees). This can only be done through the upcoming expansion and providing the proper facilities, equipment, and tools for our team. This includes:
 - Near term
 - Financial assistance to players in need
 - Practice field rental & equipment
 - Player equipment & uniforms
 - Medical supplies & personnel for games
 - Recording equipment & personnel
 - Home game fees
 - Recruiting tools & resources
 - Long term
 - Workout facility
 - Permanent practice and home game facility
 - Equipment trailer
 - Establish recruiting network for Texas colleges and beyond
 - What's in it for me?
